Thought for the Month

Our Forty Days of Purpose are nearly over – that is not the end. It is the beginning. In John 13 the Lord washed the disciples feet and taught them, then said, "Now you know these things, you will be blessed if you do them." Paul laid down a very important principle when he said to the Ephesian Christians, "Live your life with a due sense of responsibility, not as those who do not know the meaning of life but as those that do," (Ephesians 5:15). It is always important to ask, "as we press to the goal to win the prize for which God has called us in Christ Jesus" (Philippians 3:15), what can I as an individual do to be more effective for God. We need to ask the same question as a church as well.
